Mr. Harrison Salisbury
The New York Times
New York, N.Y.

Dear Mr. Salisbury,

After writing you yesterday I had a chance to reexamine some new photographic evidence I got recently.

It is irrefutable proof that the Report is entirely wrong.

It is another view of a picture that was doctored by the government.

Tom Wicker is out of town until after the elction.

Is there anything you would like me to do.

This entire thing must be kept within perspective, out of politics and handled with the greatest responsibility. This is why I have been speaking to and trusting people from whom I would like help along these lines.

The Xeroxed copies of the ms. have not yet arrived.

Sincerely,

Harold Weisberg
